

Dec 2017 Winter Appeal

Dear Sports Families of Lyme-Old Lyme High,

Does your child participate in a sport at our high school? If so, we would like to invite your family to join the Booster Club. You do not have to volunteer your time to become a member. To join is easy. We have attached the enrollment form, which you simply have to complete and mail in.

The annual enrollment fee is a voluntary amount (we ask for \$30, all amounts are appreciated). The donations assist every sports team at the school in some way. From championship commemorative gear, to mid-season equipment needs, as well as field improvements. Recently, we contributed \$3,000.00 in combination with Region18 and LOL Education Foundation to purchase a new golf cart specifically designed to assist any players who are injured while playing.

We have about 300 students who participate in sports at the high school. Currently, about 60 families have become members of the Club. We hope that you decide to join the Booster Club, in support of the student athletes.

Sincerely,

Naomi

JZ

On behalf of the 2017-2018 Booster Committee

LYME – OLD LYME WILDCAT BOOSTER CLUB

Dear Parents of LOLHS student athletes,

Welcome to a new school year! We are beginning our 2017-18 Membership Drive and invite you to renew your annual Booster Club membership or become a new member of our important organization this year.

The LOLHS Booster Club invites you to join in our efforts to support our student athletes each season. Athletics, especially at the high school level, positively impacts every member of the student body and faculty. Our athletic programs provide a wide range of opportunities for our students to develop their athletic abilities, learn about sportsmanship, develop self-confidence, goal setting and fitness. The LOLHS Booster Club values a strong school sports curriculum and with our efforts, continues this school year.

We supplement the athletic programs by covering the costs of much-needed equipment and resources that are not covered by the school budget. In times of reduced budgets and item cuts, the coaches and teams have come to rely on our generosity. Last year we helped celebrate accomplishments for our cross-country team, girls/boys soccer teams, track team, girls/boys tennis teams, girls/boys lacrosse teams, and crew teams. The membership funds and fundraising efforts also support the sports banquets for all athletes and their families at the end of each season. We also raise money through the concession stand that is operated and staffed by all volunteers during all home basketball games.

All LOLHS student athletes benefit from the Booster Club donations and our goal is for all of their families to become members of the club.

Annual membership is \$30.00; and if your student plays more than one sport, please consider increasing your donation accordingly. Learn more about the LOLHS Booster Club by visiting us on the region 18 website or email us @lolboosterclub@gmail.com The LOLHS Booster Club is a 501(c)(3) organization and donations can be made by completing this form. We also accept corporate match programs.

Please mail checks to LOLHS Booster Club, PO Box 53, Old Lyme, CT

Student(s) name(s): _____

Parent name: _____ Email: _____

Membership: ___\$30 Additional donation: ___\$25 ___\$50 ___Other

Lastly, we welcome your involvement in the Booster Club and encourage you to attend our monthly meetings, held on first Wednesday of each month @7pm in the Media Center. Thank you.
